

## ISO 14001 Environmental management system

With ISO 14001 certification in your organisation, you show your employees, customers, suppliers, partners and the public that you actively practise environmental protection and sustainability. For you, this is a gain in reputation and trust.

With the ISO 14001 standard, you always strive to have as little impact on the environment as possible by including your processes, production, products and services in this standard.

**Interested in an ISO 14001 certification?**  
**Contact us at 061 722 04 24 or**  
**[info@quality-service.ch](mailto:info@quality-service.ch)**

You will receive an offer that is tailored to your organisation.  
We will treat the information you provide confidentially.
